Forum on Workplace Safety + Health

Fulfilling the WSH 2028 Vision

The OS+H Asia Forum on Workplace Safety + Health empowers WSH professionals with advanced competencies to better implement safety and health practices at different workplaces. Mirroring Singapore's WSH 2028 Vision to create a healthy workforce in safe workplaces driven by technology, this forum addresses possible programmes and functional ideas for WSH stakeholders to learn and adopt for their organisations.

CALL FOR PAPERS

Submit your abstracts Now!

We invite WSH specialists to share your expertise and insights focused on the topics below. Please submit an abstract of not more than 500 words together with your profile to osha@mda.com.sg by 31 July 2020.

WSH 2028 implementation

-  The WSH 2028 Vision: expectations of & impact on organisations and WSH practitioners
